

Mares Hero Polygon S

Blade material: AISI 304 stainless steel

Handle material: AISI 304 stainless steel

Blade total length, max width and max thickness (mm): 70 x 22 x 2

Blade usable length (mm): 70

Handle length, max width & max thickness (mm): 54 x 42 x 4

Length of sheath (mm): 143

Total length in sheath (mm): 143

Blade type: Standard on one side and constantly toothed profile on the other

Sheath material: Cordura with internal plastic material for greater rigidity. Cordura is more economical and better adapts to the arm.

Sheath-knife locking system: Inelastic soft Velcro

Folder-spearo fitting system: Double band elastic Velcro

Belt-arm-calf use: Arm and calf

Shaft straightening hole: Yes, but 6 mm hole only for point of shaft

Shaft unblocking system: Yes

Small line cutter: no

Special solutions: A simple knife with nice options like the open hexagonal handle to hold the knife with the little finger while using both hands. Nice elastic Velcro bands appear very comfortable and well adapt to arm and calf

Available handle colours: Metal

Weight of knife and sheath and Velcro bands (grams): 92
